

("Eckoh", or "the Company", or "the Group")

Capital Markets Day

Eckoh (AIM: ECK), the global provider of Secure Payment products and Customer Contact solutions, announces that it will be hosting a Capital Markets Day for institutional investors and analysts today, Thursday 17 October 2019. The event will take place at 10.30 a.m. at the offices of the Company, Telford House, Corner Hall, Hemel Hempstead, Hertfordshire, HP3 9HN.

The presentation will be led by Chief Executive, Nik Philpot. Nik will be joined by members of the Eckoh senior management team, who will provide an overview of Eckoh's markets, products and strategy. There will also be a demonstration of Eckoh's product offering.

There will be no new material information included in the presentation.

-ENDS-

About Eckoh plc

Eckoh is a global provider of Secure Payment products and Customer Contact solutions, supporting an international client base from its offices in the UK and US.

Our Secure Payments products help our clients take payments securely from their customers through all engagement channels. The products, which include the patented CallGuard and ChatGuard, can be hosted in the Cloud or deployed on the client's site and remove sensitive personal and payment data from contact centres and IT environments. They offer merchants a simple and effective way to reduce the risk of fraud, secure sensitive data and become compliant with the Payment Card Industry Data Security Standards ("PCI DSS") and wider data security regulations. Eckoh has been a PCI DSS Level One Accredited Service Provider since 2010, securing over £2bn in payments annually.

Eckoh's Customer Contact solutions enable enquiries and transactions to be performed on whatever device the customer chooses, allowing organisations to increase efficiency, lower operational costs and provide a true Omnichannel experience. We also assist organisations in transforming the way that they engage with their customers by providing support and transition services as they implement our innovative customer contact solutions.

Our large portfolio of clients come from a broad range of vertical markets and includes government departments, telecoms providers, retailers, utility providers and financial services organisations.
