

Eckoh plc

("Eckoh" or the "Company")

Exercise of Options

Eckoh announces that it has issued 75,000 new ordinary shares of 0.25p each in the capital of the Company ("Ordinary Shares") following an exercise of options (the "Option Shares"). Application will be made to the London Stock Exchange for the Option Shares to be admitted to trading on AIM, with dealings expected to commence on 9 October 2018 ("Admission").

Following Admission, the Company will have a total of 253,088,520 Ordinary Shares in issue. Of these Ordinary Shares, 362,022 are held in treasury and as a result, the Ordinary Share capital carrying voting rights will be 252,726,498. Shareholders may use this figure of 252,726,498 Ordinary Shares as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the FCA's Disclosure Guidance and Transparency Rules.

About Eckoh plc

Eckoh is a global provider of secure payment products and customer contact solutions, supporting an international client base from its offices in the UK, US and Australia.

Our secure payments products, which can be hosted in the cloud or deployed on the client's site, removes sensitive personal and payment data from contact centres and IT environments. The products offer merchants a simple and effective way to reduce the risk of fraud, secure sensitive data and become compliant with the Payment Card Industry Data Security Standards ("PCI DSS") as well as wider data security regulations. Eckoh has been a PCI DSS Level One accredited Service Provider since 2010.

Eckoh's customer contact solutions enable enquiries to be answered through multiple channels, allowing organisations to increase efficiency, lower operational costs and provide a true omni-channel experience to their customers. We also assist organisations to transform the way that they engage with their customers by providing support and transition services as they implement our innovative customer contact solutions.

Our large portfolio of clients come from a broad range of vertical markets and includes government departments, telecoms providers, retailers, utility providers and financial services organisations.
